

## Senior Complete Horse

For the older horse that may have a hard time digesting regular horse feed.

Complete feed with processed alfalfa	All grain, forage, vitamins and minerals included so additional hay or pasture is not needed.
Contains beet pulp	Excellent fiber source, highly digestible, helping to eliminate the need for hay.
Pelleted	Highly digestible, consistent nutrition in every bite.
Vegetable Oil	An excellent source of energy and essential fatty acids, to promote a slick, shiny hair coat.
Nutritionally balanced and fortified with vitamins and minerals.	Promotes proper growth, development, reproduction and overall health.
Diamond V Yeast	Key ingredient for optimal digestion.
