PRODUCT ADVANTAGES

- Enhance rib shape and center body dimension
- Improve animal disposition in times of limited feed intake
- Added essential oils to help lower body temperature during times of heat stress
- Aid in digestive tract health, especially in lactating sows
- Assists in achieving desired fill on show day

- Consists of highly palatable all-natural forage, oats, rolled barley, and soy hulls
- Flavored to encourage feed intake and water consumption

FEEDING DIRECTIONS:

Auto Pilot can be fed as a supplement from 1-2# as part of the total daily diet or can be fed as the sole ration depending on desired rib, center body dimension and targeted average daily gain. When incorporating Auto Pilot into your feeding program, it is important to transition over a 1 to 3 day period. If wet feeding is desired, water may be added immediately prior to each feeding.

FORM
Roughage

BAG SIZE
50# or 25#

Show Pigs

- 1 to 2 lb when supplementing as part of part of daily diet for added rib & center dimension or weight management
- 3 to 5 lb when fed as a total diet for weight management & center dimension
