

# Starmaster™ Star-Glo Topdress

Designed to be a tool used in controlling your animal's condition and growth. When used according to the guide on the tag, Star Glo will help optimize your animal for the upcoming show season.

**Star Glo** has been a mainstay of Starmaster Show Feeds and continues to generate "Rock Solid" results. Star Glo is designed to be fed to all species, and is highly fortified with vitamins, minerals and amino acids. It is a **40% protein, 2.6% lysine, 3% fat top-dress** that has fed more champions than any other feed additive on the market today. In short, it is "**The Ultimate Top Dress**"

### What it does...

Feeding on a daily regimen, Star Glo prevents excessive build up of fat deposits on the lower one third of the animal. Star Glo helps enhance the overall firmness of the animal. Star Glo will freshen the look of the animal, making it appear more youthful. Fed up to the highest rate, Star Glo will help control the weight and finish of the animal.

#### FORM

Mini Pellet

#### BAG SIZE

50#

# Starmaster<sup>TM</sup> Star-Glo Topdress

(for beef & dairy cattle, sheep, swine, goats, horses, and rabbits)
